

REMARKS

Applicants have amended the specification to comply with the 35 U.S.C. 120 by amending it throughout to refer to C17.2 cells instead of C17-2 cells. The inconsistent recitation to C17-2 cells was found at p. 6, second par., and p. 12, heading on line 12. This is a mere typographical amendment, and as such, this amendment does not constitute new matter and its entry is respectfully requested.

In view of the foregoing preliminary amendment, Applicants respectfully submit that all claims are in condition for allowance. Early and favorable action is requested.
